MASTERING CHALLENGES SINCE 1996. JOIN US TO DRIVE OUR GROWTH!

Automotive Technician (f/m/d)

AEC is a cooperation partner of Fiat Chrysler Automobiles (FCA) and an official importer of DODGE and RAM vehicles into Europe. Become part of our team and join our facilities in Kallo as Automotive Technician.

Reporting to the VPC Teamleader, you will be able to show your ability to transform America's finest cars to the European standards, you will convert them & install accessories as per AEC's instructions. Additionally, you will also be responsible for managing your own workspace & optimizing your work and output. As part of this job, you will be tasked with Lean & Quality measures.

Responsibilities

- Convert cars to European standards
- Install Black boxes, LPG, Bio Ethanol
- Install towhooks, covers, exhausts
- Install & Uninstall Navi's & update them
- Mounting & demounting of car parts, batteries etc.
- Reporting of services started & completed
- Live up to agreed production output, AECs house rules linked to safety & prevention

The Ideal Candidate Will Demonstrate the Following Skills and Abilities

- Accuracy is key in our Automotive business
- Teaming: effective work within a team of experienced technicians. Request help when needed
- Flexibility: possible to adapt on changing priorities. Possibility of over work when needed
- Self-starter: ability to work on your own in a dynamic environment
- Our motto: „you can & will make the Difference“ and “walk the talk”

Education & Experience

- Minimum 2 years experience in Automotive garage
- Technical knowledge of electronics
- Software: Use of I-PAD. Own software will be trained on site
- Languages spoken & written: English or Dutch – very good, others – bonus
